

GOVERNMENT HAS NO INFORMATION AS TO ATTITUDE OF

No Reply Will Be Sent To Germany Until Official Word is Received--Policy of Silence is Continued--Jusserand Says Terms Absolutely Unacceptable.

(By The Associated Press)
WASHINGTON, April 27.—The American government tonight still was without any official information as to the attitude of the allied powers with respect to Germany's counter-proposals on reparations. Consequently a reply to the communication from Berlin yesterday has not been prepared.

The views of the allied governments are expected to be transmitted thru their ambassadors here, with whom Secretary Hughes conferred yesterday. None of the envoys called at the state department today, but an Associated Press dispatch from Paris tonight announced instructions had gone forward to Ambassador Jusserand to inform the United States that the German propositions were unacceptable to France. It was assumed that M. Jusserand would make this known officially to Mr. Hughes tomorrow.

Does Not Suit Belgium

Dispatches from Brussels indicated that in Belgium the German offer also was regarded as unsatisfactory. There was no word as to the views of the other interested powers. It was understood officials did not necessarily regard as significant the action of Great Britain in requesting its representatives in Berlin to inquire informally regarding the new German offer, with a view to making clear the term of years over which the payments would run.

Administration officials continued today their policy of silence with regard to the reparations question. It was understood, however, that an element of the situation which they have under consideration is an intimation from some of the allied governments that the mere transmission of the German offer by the United States would give the American government in some measure of responsibility.

It is believed the state department is not ready to accept this view of responsibility on its part, provided its efforts are confined to a mere transmission of the communication without endorsement of any kind.

As only three days remain before the date set by France for the beginning of its move into additional German territory, it is expected a reply to the German communication will not be long delayed.

Fixes Total Damages

PARIS, April 27.—The reparations commission has fixed 132,000,000,000 gold marks as the total damages for which reparations are due by Germany under Article 233, second paragraph and annex one, part eight of the treaty of Versailles.

The commission's decision was officially communicated to Dr. Von Oertzen of the German war reparations commission tonight.

In fixing the total the reparations commission made necessary deductions from the amount of the damages, in order to allow for restitutions effected or to be effected in the execution of Article 238, and consequently no credit will be allowed Germany with respect to such restitutions. The commission did not include in the above amount the further obligations incumbent upon Germany by virtue of Article 232, "to make reimbursement of all sums borrowed from the allied and associated governments up to November 11, 1918, together with interest at the rate of five per cent."

GERMAN EMBASSY ISSUES STATEMENT

PARIS, April 27.—The German embassy here has issued a lengthy explanatory statement regarding Germany's reparations offer. It claims that the difference between the sum offered in Berlin's last proposal of 200,000,000,000 gold marks and the 226,000,000,000 gold marks under the Paris terms is "but small."

The statement also says with regard to the conditions relating to the suppression of penalties, that "it apparently means the penalties decided upon at the London conference should be cancelled, but certainly not that the territories occupied by virtue of the peace treaty should be evacuated."

Proposals Unacceptable

PARIS, April 27.—Jean Jules Jusserand, French ambassador to the United States, has been informed by the French government that the German reparations proposals, as transmitted to the Washington government, are absolutely unacceptable.

The French point of view is that these proposals, instead of making any advance toward a satisfactory settlement of the reparations question, are rather a step backward.

UNITED STATES CANNOT AFFORD TO STAND ALONE

Must Co-Operate for Stability in World Business

(By The Associated Press)
ATLANTIC CITY, April 27.—The United States cannot afford to isolate itself from the rest of the world but must co-operate with the other countries on a "non-political basis" to restore stable business conditions, A. C. Bedford, chairman of the board of directors of the Standard Oil Company of New Jersey and Willis P. Booth, vice president of the Guaranty Trust company, New York, told the United States Chamber of Commerce in annual convention tonight.

They pointed out that American business cannot find a market abroad for its surplus products as long as unsettled and abnormal conditions exist.

Mr. Booth urged co-operation with the allies in an effort to settle the indemnity question with Germany. He further suggested that payment of the allies' indebtedness to the United States be postponed for a period paralleling the indemnity settlement.

"The future of American greatness in foreign trade," said Mr. Bedford, "depends upon our ability to think and act internationally."

Outlines Program.
Mr. Booth said the program for putting American business on its feet should be as follows:

"Co-operation, if practicable, on non-political basis with the allies and Germany in settling the indemnity."

"Postpone payment of allies indebtedness to us for a period paralleling the indemnity settlements."

"Carefully and constructively adjust international trade relations so that we may become so far as it is practicable a buying and a selling nation."

"Establish a permanent policy under which our flag, standing for the power which comes from fairness and right shall protect Americans and legitimate American interests about the globe."

Suggestions for raising the \$4,000,000 required to run the United States government for the fiscal year were made by Representative Good of Iowa, chairman of the house appropriations committee, at the afternoon session.

"Our tariff duties should be increased," he said, "and the excess profits tax and the tax on transportation should be repealed and the super tax on individuals modified. The revenue derived from the excess profits tax is no longer necessary. The loss of revenue from the repeal of the transportation tax can be supplied without hardship by an additional tax on luxuries. It would be far better for merica, in duration and economically, to fund her war debt over a long period of years and give merican industry a chance to win in the race for trade supremacy."

TEN DEAD HAVE BEEN RECOVERED

Work in Progress Removing Dead From Ruins in Braxton Devastated by Tornado.

(By The Associated Press)
JACKSON, Miss., April 27.—Ten bodies had been removed tonight from the ruins of buildings wrecked in the tornado at Braxton yesterday and with several persons still reported missing, it is believed the toll of dead will be increased.

More than thirty persons were injured, several perhaps fatally, according to reports.

Advices indicate the storm "went an area of approximately 10 miles."

At Wesson, two persons were injured, and property damaged to the extent of approximately \$75,000.

Dr. W. S. Leathers, secretary of the state board of health, accompanied by two other members of the board, went to Braxton today and several nurses were sent there to aid in the relief work.

KNIFE AT ALTAR AND COMMITS SUICIDE

(By The Associated Press)
COLUMBUS, Ohio, April 27.—Kneeling at the altar in the chapel of Trinity Episcopal church here today, Walter S. Schmidt, aged 29, shot himself above the heart in an attempt at suicide. He was said to be in a dying condition.

Recent differences with his sweetheart and the refusal of her father to permit him to see her were said to be the immediate causes for his act.

FORMER PREMIER VIVIANI ARRIVES AT HAVRE

HAVRE, April 27.—Former Premier Viviani who recently completed a mission in Washington for the French government, arrived here today from New York.

EX-ARMY CAPTAIN WINS
HIGHEST ALL-ROUND HONOR
SCHOLARSHIP AT HARVARD

It took Wesley C. Brooker, originally of Lindstrom, Minn., just 30 seconds to quit Mechanic Arts High School, St. Paul, when war was declared. He went to Plattsburgh, became a lieutenant, won a captaincy, returned, entered Harvard and started studying. He made the freshmen nine and eleven and won his "H" at football. He was among the junior eight for Phi Beta Kappa. Now he has been awarded the Francis Burr Scholarship at Harvard for highest scholarship, character, leadership, and athletic ability.

ALTON MILLER SAYS HE BOUGHT GRAIN FOR SPECULATION

Of Opinion That it is Only Way Farmer Can Get Price

(By The Associated Press)
SPRINGFIELD, April 27.—Hearings on the Lantz grain exchange bills in which members of the board of trade fought what they declared was a smashing blow at the life of the board, developed a surprise witness in George P. Miller, a flour miller of Alton.

"I am not a member of the board of trade, but I am a member of the Madison County farm bureau," Miller said. "I buy wheat direct from the farmer. I have 50,000 bushels now, bought when I didn't have orders for any flour to speak of. Do you think I could or would have bought it if I hadn't been able, as fast as it came in, to sell 'hedged' against it on the board of trade?"

Couldn't Take Risk.
I couldn't take the risk, not knowing which way prices would go, but there was a speculator or somebody on the board whose business it is to take that risk. I could buy from the farmer because I could transfer that risk. Don't let anybody fool you on that; if the future market is abolished the farmer will suffer."

"The board of trade is no stranger to investigations and to ill-considered bills which would destroy it," said L. L. Winters, a Chicago grain broker. "The records of investigations and hearings for the last twenty years fully establish the fairness of the board's methods, its imperative service both to grower and consumer. If the board were abolished today farmers themselves would have to construct a new agency to perform its functions. If a farmer raises grain, invests his labor and money and holds it, he is a speculator. He is one, in fact, just the moment he turns a furrow. He hopes that furrow will pay him a profit and he takes the risk that it will. He would be either more or less a speculator if instead of raising that grain he bought it on the board of trade. Trading in futures is necessary to provide a continuous and instant market for the farmer."

PRESIDENT WILL REVIEW FLEET

Will Hold Reception Aboard the Pennsylvania—First Review of Fleet.

(By The Associated Press)
WASHINGTON, April 27.—President Harding left today on the Mayflower for Hampton Roads where tomorrow he will review the Atlantic division of the American fleet and later hold a reception aboard the flagship Pennsylvania for the officers of the sixty-eight ships forming the armada.

He was accompanied by Mrs. Harding, his naval and military aides and a party of senators. He planned to return to Washington Friday.

Secretary Denby, Admiral Coontz, chief of naval operations and members of the house naval committee will join the presidential party later and will attend the reception of the Pennsylvania.

This was Mr. Harding's first trip on the presidential yacht and it will be his first review of the American naval forces since his inauguration.

GRAVE DANGER OF MARINE WORKERS STRIKE ON MAY 1

Break Between Owners and Men Narrowly Averted

(By The Associated Press)
WASHINGTON, April 27.—A final break between the ship owners and marine workers was narrowly averted at the conference called here today by Chairman Benson of the shipping board in an effort to prevent a threatened strike May 1, when existing wage agreements expire. A last moment appeal by Andrew Furuseth, president of the International Seamen's Union, resulted in an agreement for further conferences Friday.

The delay was sought in order that proposals of Chairman Benson might be laid before the unions, but admittedly the outlook for an agreement was not bright.

Admiral Benson told the conference he would not recede from the outline of reductions he had presented as necessary to the merchant marine.

Reject Proposal.
W. S. Brown for the marine engineers' beneficial association flatly rejected the proposed wage reduction.

W. A. Thompson, representing the American Steamship Owners' association, said unless the unions were prepared to negotiate a new wage scale further conferences would be useless and his organization was now prepared to act.

In his appeal, Mr. Furuseth warned ship owners he had one more proposal to offer, should a break come, that he hoped he would not be called upon to present. If that could not be avoided, he added, without revealing what he had in mind, "let the chips fall where they may."

After the meeting Mr. Brown declared that the situation was serious and looked like a strike of the engineers, although they would probably attend Friday's conference.

Chairman Benson, however, said the situation was "very hopeful." The engineers, he said, would probably come around, but if they did not "their blood would be on their own hands."

ASK FOR SALE OF LIQUOR ON BOATS

Would Make it Legal to Sell it on American Passenger Steamers Outside the Three Mile Limit.

(By The Associated Press)
WASHINGTON, April 27.—Sale of liquor on passenger steamers of American and foreign registry beyond the three mile limit would be authorized under a bill introduced today by Representative Edmonds, Republican, of New Jersey.

The fight for liquor aboard passenger ships engaged in foreign trade was made before the house judiciary committee last session, but the bill never was reported. Chairman Benson of the shipping board advocated modification of the law so as to permit American passenger steamers to compete "on all fours" with foreign vessels not restricted by prohibition regulations.

Failing to get action by Chairman Volstead's committee, Mr. Edmonds had his new bill referred to the merchant marine committee.

FOUR MEN WILL BE SHOT TODAY

CORK, April 27.—Four men are to be shot tomorrow morning at the military barracks here. They are Patrick O'Sullivan, Maurice Moore, Patrick Roayne and Thomas Mulcahy, convicted of levying war against the British crown forces.

The corporation and the harbor board of Cork have adopted a resolution saying that as the British high court in Ireland and the British ministry recognize the state of war existing, the executions will convalesce civilized warfare and the dictates of common humanity.

Copies of the resolution have been sent to President Harding and Pope Benedict.

FORMER R. R. PRESIDENT DIES OF HEART DISEASE

Chicago, April 27.—William E. Phillips, 49, former president of the Chicago & Western Indiana railroad, died today of heart disease. He is survived by a widow, Mrs. Helen Phillips, and a son, W. E. Phillips, Jr.

Mr. Phillips was born at Bloomington, Ill., and spent much of his life at Naperville, where he will be buried on Friday. He was known as one of the country's leading amateur basketball players.

WILL OPPOSE SHOUTER WEEK FOR PRINTERS

Manitowish, Wis., April 27.—The Fox River Valley Typothetae went on record last night as being opposed to the proposed 44 hour week for printers.

BETTER TREATMENT OF SOLDIERS URGED BY SENATOR WALSH

Massachusetts Senator Says Some of the Conditions Relating to the Soldier Relief Laws are "Incredible"—Makes Recommendations to Better Conditions for Men

(By The Associated Press)
WASHINGTON, April 27.—Treatment of former soldiers in the matters of hospital care, compensation, vocational training and insurance, was criticised today by Senator Walsh, Democrat of Massachusetts, who introduced a sheaf of bills to remedy conditions about which the war veterans have complained.

Senator Walsh pronounced "incredible" some of the conditions in administering soldier relief laws. Government "bureaucracy" and "red tape" were ascribed as reasons for conditions. Veterans, he said, were "discouraged and despondent at the government's treatment."

The three principal agencies of soldier rehabilitation, the war risk insurance bureau, the federal board for vocational training, and the public health bureau service had failed miserably in coordinated effort, Senator Walsh asserted.

To aid the veterans, Senator Walsh's bills would provide a conservative program of legislation, including:

Repeal of the law forbidding payment of compensation to incapacitated ex-service men unless their disability occurred within one year after discharge.

Repeal of the law limiting filing of claims to five years after the armistice.

Repeal of the law requiring veterans to prove that tuberculosis, or certain other ailments were caused by their service.

Payment of all war risk insurance policies in three installments to beneficiaries, instead of in 240 monthly payments.

Permitting reinstatement without physical re-examination of all lapsed policies, upon payment of two months' premiums.

A law for payment of lapsed policies of men dying since the armistice after deduction of premiums due at the time of death.

Give Direct Authority.

Decentralization of the bureau of war risk insurance, giving regional officials direct authority to accept or reject compensation claims without reference to Washington.

An inquiry by the senate into hospital conditions where service men are receiving treatment.

Abolishment of the practice of boarding service men in the hospitals on a per capita payment plan.

Utilization of army cantonment hospitals and increase in medical and nursing corps, or — commandeering of seashore and summer hotels for temporary hospital use, while new government hospitals are being completed.

This program, Senator Walsh said, would afford immediate relief in many of the conditions affecting the war veterans.

"Let us cut this red tape," he said. "Let us act. I urge such a change in the present law that will remove the present widespread feeling among applicants for compensation that this government presumes that incapacitated ex-service men are crooked, dishonest, or impostors, without affirmative evidence from them to the contrary."

SETTLEMENT OF COAL STRIKE NEAR

Seems Likely That Strike of English Miners Will Be Settled Soon.

LONDON, April 27.—A settlement of the coal strike tonight appeared more likely than at any time since the miners laid down their tools. The government during the day made another concession by proposing a state grant for a transitional period of three or four months, under which the miners would be insured against their wages being reduced more than three shillings per day.

The mine owners have not agreed to this plan but they and the government will consider the new situation further tomorrow, and the hope was expressed tonight that an agreeable basis will be arranged between them for presentation to the miners' conference Thursday.

As the miners already have agreed to a two shilling reduction, it is considered that there are good prospects for a settlement of the dispute during the coming week.

APPOINTED HEAD OF WAR RISK INSURANCE

Washington, April 27.—Secretary Mellon announced tonight the appointment of Charles R. Forbes, of Seattle, Wash., as director of the bureau of war risk insurance, succeeding R. G. Cholmeley Jones, whose resignation was announced at the same time.

ITALIAN SHIP PLACED AMONG THE MISSING

London, April 27.—The Italian steamship Monte San Michele, which left New York February 2, last, with a cargo of grain for Genoa, has been given up for lost and was added to the grim list of "missing ships" posted by Lloyd's.

Congressman Julius Kahn of California, chairman of the house military affairs committee, has reintroduced his resolution calling for a congressional investigation of the escape of the notorious slacker, Grover Cleveland Bergdall. The mystery surrounding that disgraceful episode of the last administration has never been cleared away, and the public is entitled to the information that Mr. Kahn seeks to elicit.

This is the final week for paying your taxes. Don't overlook this matter or Sheriff Weatherford will have the unpleasant duty of selling your property to the highest bidder.

Scholar Wheeler's health bill, which is understood to have the approval of the state administration, has also been approved by the legislative committee of the state medical society. By the provisions of the bill the governor appoints a medical director in each county of the state, but the appointee must be one out of a list of five submitted by the authorities of the county. There is much in the bill to recommend it.

The price of gasoline has been reduced three cents a gallon and considered on a percentage basis this is a very substantial lowering of costs for automobilists and others who use the fuel. Practically all oil and associated products are now selling on levels very much lower than those known in market conditions of even a few months ago.

The project for securing local men to take hard road contract work is the direct result of Gov. Small's wise policy in making it possible for others than the larger contracting firms to take on this work. Before the state administration plan was evolved, a contractor without an enormous amount of machinery and capital had

mighty little chance of taking on any of the state work.

Gov. Small has given a chance to contractors of equal ability but of less financial strength and at the same time has been able to reduce the prices asked for this work.

The hearing before the Illinois legislature affecting board of trade operations brought out many interesting points. National legislation on this subject is pending. It is entirely possible that some new rulings should apply to board of trade operations, but it is also certain that the board has its important functions and its proper place in the world of business.

The decision to make a full public statement of the financial affairs of the Morgan county tuberculosis sanatorium is well advised. Several reports have been made a part of the public records, but a compilation of all the reports can be made in a way which will give the public a more thorough understanding of the situation which confronts the sanatorium program. In this way voters can learn what must be their course of the money already expended for a laudable undertaking becomes effective.

To prepare the public for an expression of views on this question at an election a few weeks hence will require a considerable amount of publicity.

ELECTRIFICATION OF RAILROADS

Secretary of the Interior Fall says that the electrification of 26,000 miles of railroads, a fuel saving of 6,000,000 tons, or \$10,000,000 per year would be effected. Added to this saving would be \$50,000,000 annually as a difference in favor of electric versus steam engine repairs and maintenance.

The total unit cost of electrification, according to the secretary, would be approximately \$10,000 per mile of main line track, which with 12,000 miles to be electrified would cost \$500,000,000. In addition, yard and siding track would call for \$200,000,000, or a total of \$800,000,000. It is claimed that electrification would displace approximately 7,000 steam locomotives, which at a salvage value of \$22,500 each would credit the electrification estimate with approximately \$150,000,000, leaving a net investment of \$650,000,000.

A REPUBLIC ONCE MORE

"A recent incident at the White House affords one more impressive and encouraging

demonstration of the restoration of constitutional government," asserts the Republican Publicity Association in a statement which says:

"Senator McCormick and Representative Good recently engaged in a friendly dispute as to whether the budget bureau should be provided for by Congress should be directly under the president or located in the treasury department. Thinking to avoid a more general controversy, when their bills came before congress, they decided to put the question up to Mr. Harding. But President Harding courteously declined to act as arbiter and requested the two senators to reach an agreement between themselves, which they proceeded to do, and the indications are that the new bill will provide that the budget bureau shall be located in the treasury department, both its director and assistant director to be appointed by the president and confirmed by the senate. The secretary of the treasury will have little connection with the work of the budget bureau, according to the present plan.

"The incident shows Mr. Harding's adherence to the policy of hands off so far as the legislative branch of the government is concerned. There is to be no coercion of the legislative by the executive, nor is the legislative branch to drag on the executive into protesting acquiescence in its demands. That was gently, but forcibly, intimated by Mr. Harding in his first address to congress, when he said, in suggesting a resolution which 'should undertake to do no more than thus to declare the state of peace.'"

MRS. WILSON DEAD AT GENESEO

Former Resident of Jacksonville—Answers Summons—Had Lived to Advanced Age.

Information has been received here of the death of Mrs. Hiram Wilson of Geneseo, N. Y. before her marriage was Miss Mary Dewey and she was a sister of the late W. K. Dewey and an early resident of Jacksonville. The message relating to Mrs. Wilson's death came to Mrs. W. K. Dewey and her daughter, Mrs. J. Parker Doan. Older resident of Jacksonville will remember George and Hiram Wilson who were bankers here in pioneer days.

While they were still young men they removed to Geneseo and established a banking business there. A number of years ago George Wilson died and it was within a year that the other brother, Hiram, passed away at the age of 90 years.

Mrs. Wilson also lived to a great age, as she was nearing her 91st birthday. Deceased is survived by one brother, A. A. Dewey, now resident in Chicago.

DENIES ALLEGED CONNECTION WITH DEATH OF MAJOR CRONKHITE

Captain Robert Rosenbluth, of New York City, accused in "confessions" by Roland Pothier, a former sergeant, with instigating the death of Major Alexander Cronkhite, at Camp Lewis, Wash., in 1919, has reiterated its innocence. He charged that the investigation Bureau of the Department of Justice has accused him in an effort to cover its own shortcomings in the investigation of the shooting.

SANATORIUM FACTS WILL BE PRESENTED

At Conference Yesterday Officials Expressed View That Complete Financial Statement Will Help Out Present Situation

Members of the county board, the trustees of the tuberculosis sanatorium and representatives of the Anti-Tuberculosis Society had an extended conference yesterday. At this time all the financial records of the sanatorium were discussed and it was determined that a full detailed report will be compiled and published.

It is a generally known fact that because of an unexpected court decision money expected from special taxation fund did not become available and therefore large expenditures on behalf of the sanatorium have been made during the past two years from the general fund.

At present the sanatorium trustees have a number of unpaid bills and it is necessary to do additional work at the sanatorium before a is available for the care of patients. To put the sanatorium into working condition will mean the authorization on the part of the people of a special tax. It was the consensus of opinion yesterday that the only way to give the public a thorough understanding of the sanatorium situation and the additional funds necessary will be to prepare and publish the full and complete statement to which reference has been made.

WOMAN IS ARRESTED FOR SELLING STOCK

Mrs. M. J. Paige, Charged With Selling Securities Without Proper Permit, Repays Money To Local Investors in Mercantile Company

A number of local colored citizens some time since bought stock in a mercantile company, represented by Mrs. M. J. Paige. Later it developed that the company, while incorporated in the state of Illinois, was not qualified to sell stock. Mrs. Paige was brought to the city Tuesday and spent the night in the county jail. Yesterday she received a wire for the money from St. Louis and the holders of the stock were refunded their money.

It was stated that Mrs. Paige visited this city several weeks ago and interested a number of local residents in the purchase of stock of the company, which is said to be establishing stores throughout the country. Stock was sold at prices ranging from a few dollars to \$100. Later some of the purchasers became suspicious and sought the advice of State's Attorney Carl E. Robinson. The latter communicated with Secretary of State Emerson and found the facts to be as already stated. A warrant was then sworn out in a justice court and Mrs. Paige arrested on the charge of selling securities without proper permit.

Naturally the local residents who invested money in the concern are considering themselves exceedingly fortunate in having thus recovered their investments.

"THE LIGHT WOMAN" AT RIALTO
The Cleverest Vamp on the Screen To those who take interest in the workings of society in the upper crust the play now on at the Rialto will give complete satisfaction. Those present last night were more than impressed with the workings of this great play. Robert Browning expresses the whole thread of the story in the few lines, "Which do you play the most of us three, my son, or my son's mistress, with her wanton eyes or me."

This is not a play that could be spoken of in any way as a vice play but on the contrary shows the great love of two parents for their son who, when argument and everything else fails, is only rescued from the influences of the light woman by the combined efforts of a pair of noble parents. Of course the play ends prettily and correctly as all plays should, but you can't afford to miss the second production tonight. Music will be furnished this evening by Mrs. Goes and Messrs. Kearns, Johnson and Goodrick.

MISS GLADYS SARGENT WEDS MERRITT NEWTON

Well Known Young Woman Married in Pretty Home Ceremony—Will Reside in Sparta, Wisconsin.

Last evening at eight o'clock in a simple, but impressive ceremony, Miss Gladys Sargent became the bride of Merritt Newton of Sparta, Wisconsin.

The wedding took place at the home of the bride's parents, on South East street and was witnessed by about sixty friends and relatives.

Before the ceremony Miss Mona Ramsey of Illinois Woman's College sang with charming effect, "Beloved It is Morn," and "At Dawning," by Cadman. To the strains of the Mendelssohn wedding march played by Miss Merker, the bridal party descended the stairs to the living room. Miss Mary Briggs was the maid of honor, and Miss Lulabell Hildreth, the bride's maid. Anna Louise Jones and Helen Margaret Clary, little cousins of the bride, were the flower girls and Kenneth Sargent, a nephew of the bride, carried the wedding ring on a satin cushion. Frank Newton of Jackson, Michigan, a brother of the groom, acted as best man.

The bridal couple took their places before a lattice twined with smilax and here the vows were said, as Miss Merker softly played the "Venetian Love Song," by Nevin.

The bride was given away by her father, G. W. Sargent, and Dr. J. R. Harker, officiated at the impressive ceremony.

Miss Hildreth wore a white georgette gown with a tangarine sash and carried a bouquet of Ophelia roses. The maid of honor wore pink georgette and carried a beautiful bouquet of Russell roses.

The bride was gowned in white baronet satin trimmed with silver lace made en traine. Her flowing bridal veil was caught up with real orange blossoms and she carried a shower bouquet of roses and sweet peas.

After the ceremony and the extending of hearty congratulations to the young couple, a wedding supper was served in the dining room. Here a color scheme of pink and white was artistically carried out by the use of sweet peas, Russell roses and large bunches of pink tulips caught at the corners of the table with ropes of smilax.

A delicious supper was served and a piece of the large wedding cake was cut by each of the guests.

The bride is the only daughter of Mr. and Mrs. G. W. Sargent and is well known in Jacksonville. She graduated from the high school in 1917 and later studied music at the College of Music, Illinois Woman's College. The last two years Miss Newton has been a soloist with the Century Concert Company of Chicago and has traveled in six states and also in Canada. She is a young woman of much charm and a happy disposition which has won her many real friends.

Mr. Newton is the son of Mrs. Ella A. Newton of Sparta, Wisconsin. He graduated from the University of Wisconsin with the class of 1916, in the college of engineering. While in the University Mr. Newton was a member of the Phi Kappa Sigma fraternity. During the war he served overseas for twenty-three months as first lieutenant in the machine gun battalion.

Mr. Newton is the general manager of the plants of the M. J. Conley Explosive Engineers Company and has been very successful in his business career. Jacksonville people who know Mr. Newton have found him to be a man of pleasing personality and strong character.

Mr. and Mrs. Newton left last night for a wedding trip of several weeks to Washington, D. C. They will be at home at Sparta, Wisconsin, after June 1st.

PHONOGRAPHS AND RECORDS

Why the Brunswick Phonograph Is What It Is—

While we rely entirely on the inherent merit of the BRUNSWICK to prove its own case, as it has always done—yet, it is a source of great satisfaction to occasionally reflect on the wonderful organization and resources back of it which has not only been responsible for the present unique position of esteem in which the instrument is universally held, but which also furnishes us and our clientele of BRUNSWICK owners with the satisfying assurance that the BRUNSWICK will always be the most desired of all phonographs.

A FEW FACTS CONCERNING THE MANUFACTURERS OF THE BRUNSWICK PHONOGRAPH

They are capitalized for \$50,000,000.00.
—have branch offices in twenty-five cities in the United States
—five in Canada, one in France, one in Cuba and one in South America.
—operate their own timber lands in Northern Michigan.
—make every part of the BRUNSWICK PHONOGRAPH in its entirety.
—are the only phonograph manufacturers in the United States, and we think, the only one in the world, that actually does this.
—have at the present time seven factories devoted to the manufacture of phonographs and parts, and two factories to the pressing of records.
—cut their own veneer logs and slice their own veneer.
—manufacture their own panels and are just completing a plant to manufacture shipping cases for their phonographs.

Ponder over these facts and you will readily discover the reason of our enthusiasm for BRUNSWICK Phonographs and Records.

HEAR, THEN COMPARE

The way to fully appreciate the superiority of the BRUNSWICK is to hear it, then make comparison. Your ear will quickly decide in favor of the BRUNSWICK.

RAINEY TESTIFIES IN SHAW CONTEST

Proves to be Unconvincing Witness—Charges Based on Hearsay.

(Pike County Republican)

For the information of the people of this Congressional District, and to correct some mistaken impressions which were probably created by the publicity which Mr. Rainey gave to his charges, it has been thought proper to make public enough of the testimony of Mr. Rainey himself, to show that there is not and never was any substantial basis for the contest.

Mr. Rainey's Notice of Contest contains eleven separate specifications. The first four of these relate to a failure on the part of Mr. Shaw to make the four reports of receipts and expenditures provided for by the acts of Congress, to be made by a congressional candidate before and after the election. Mr. Rainey charges on this point, without qualification, that Mr. Shaw "did not file" these reports.

The fifth and sixth specifications expressly charge that "you did not, as required by law," account for two contributions made to the campaign fund of \$1,000.00 each, and made respectively, on October 8, 1920, and on October 23, 1920, by the Republican National Congressional committee.

The seventh assumes that Mr. Shaw received contributions "from other sources," and flatly charges that he did not, by any statement filed, "account" for the same.

The eighth badly charges Mr. Shaw with having converted to his own use "a considerable portion" of the contributions from the Republican National Congressional committee, and with not having

Pyramid Is Certainly Fine and Works Such Wonders So Quickly.

When asked what basis he had for the charges that Mr. Shaw had received and not accounted for contributions from "other sources," he said "I do not know of any. At that time I supposed he received contributions from the State Committee which made contributions, but I do not know whether he did or whether he did not."

He was then asked this question: "So you did not have any knowledge on which to base this specification at all?" And he answered, "None at all, except that my inference was that I supposed he received them as they had plenty of money in this District."

He was then asked whether in his opinion, he was justified in the charge that the act mentioned in the notice had been done "To which he evasively answered: "That is a matter of practice before the Committee. I do not know the practice before the Committee, but that is a matter which is subject to be answered within the time provided by the law."

He was asked what basis he had for the charge that Mr. Shaw "had converted to his own use, portions of the money received from the Congressional Committee, and gave a long answer stating he saw no evidence of Mr. Shaw's expending that amount in the District; that he had covered the District and was well advised of conditions; that just before the election, some lithographs appeared; that witness used lithographs which cost him \$70; that he saw two circular letters from Mr. Shaw of both of which he received copies addressed to him; that he therefore concluded that Mr. Shaw was using a farmer's directory of the District which contained not over 10,000 names and the circulars could not have cost more than \$100 or \$500; and he saw no other evidence of money spent, except he saw Mr. Shaw in Carrollton once in an automobile, that he also saw a short circular on the subject of Argentine corn; that Mr. Shaw had no workers or watchers at the polls so far as he could learn; that witness concluded that Mr. Shaw could not have spent anything like \$2,000; he noticed some paid advertisements in newspaper. He was asked if that does not "cost money," to which he replied, "Yes." He said he did not know how many newspapers carried paid publicity for Mr. Shaw. He was asked "of course

OF INTEREST TO WOMEN

This is a Short Letter, but it Brings a Message of Importance to every Woman.

Woodford, Va.—"I took Lydia E. Pinkham's Vegetable Compound and Liver Pills before my child was born and it did wonderful work for me. My baby weighed 8½ pounds when born and I did not suffer many pains. You can publish this letter if you wish for I would not be without your medicine before childbirth."—Mrs. JOHN LINN, Woodford, Va.

The reason why Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, curative influence, and as it contains no narcotics or harmful drugs it is a safe medicine for women.

returned "the unused portions of same."

The ninth makes a similar charge with respect to "other sums of money contributed from other sources."

The tenth and eleventh insolently and insultingly admonish Mr. Shaw that he is subject to penalties provided by act of Congress, and to criminal punishment "provided by the laws of Illinois."

Mr. Shaw's Answers

This "Notice of Contest" was not sworn to, but it was given wide publicity in this district.

On the day the depositions were taken in Washington, Mr. Shaw served his "Answers," denying the sufficiency of the charges made as a basis of a contest, and further denying the truth of each and every of the specifications; he avers that on January 31, 1921, he filed complete reports with the Clerk of the House of Representatives his former reports not having reached that official although they were duly sent; he denies that he failed to account for the two contributions from the Congressional Committee and refers to his reports on file in the office of the Clerk of the House; he denies that he received any contributions whatever from any source other than the Congressional Committee, and refers to his reports showing an expenditure of about \$1,000.00 in addition to the contributions from such Committee; he "denies and resents" specifications ten and eleven and "further answering" he charges his expenditures were lawful and reasonable in amount among other things, and closes as follows: "That Contestee was elected by an honest and clear majority of nearly 4,600 votes and that to deprive him of his seat would be unjust to him as well as to the voters of said Congressional District; that this contest is not made or prosecuted in good faith, but is the product of envy and malice."

On the issues thus made, depositions were taken in Washington on February 23rd, 1921.

Among others, Mr. Rainey, himself, testified. A brief abstract is below given of portions of his testimony which are sufficient to show the want of any reasonable or true basis for his reckless charges.

On his cross-examination, he excuses himself for making the first four charges by saying, when asked what basis he had for them that he made search in the office of the Clerk of the House and found that none had been received there.

When asked if he made further investigation on the subject before making his charge, he said, no. He referred to Dr. Schweer of Beardstown, Postmaster, as a friend of his "for a number of years." When asked what Dr. Schweer meant by saying that Mr. Shaw would "never be seated," he answered he did not know that Dr. Schweer said it, but that "if he did make such a statement," he did it after this contest was filed, and probably because witness had advised him that no such express reports were on file. He said he made no inquiry at the Beardstown postoffice as to whether such reports were than deposited in the

When asked what basis he had for the charge that Mr. Shaw did not account for the two contributions of One Thousand Dollars each from the National Congressional Committee he said he meant simply to say that Mr. Shaw had "filed no account," and that he referred "to nothing else."

Talks of "Other Sources."

When asked what basis he had for the charges that Mr. Shaw had received and not accounted for contributions from "other sources," he said "I do not know of any. At that time I supposed he received contributions from the State Committee which made contributions, but I do not know whether he did or whether he did not."

He was then asked this question: "So you did not have any knowledge on which to base this specification at all?" And he answered, "None at all, except that my inference was that I supposed he received them as they had plenty of money in this District."

He was then asked whether in his opinion, he was justified in the charge that the act mentioned in the notice had been done "To which he evasively answered: "That is a matter of practice before the Committee. I do not know the practice before the Committee, but that is a matter which is subject to be answered within the time provided by the law."

He was asked what basis he had for the charge that Mr. Shaw "had converted to his own use, portions of the money received from the Congressional Committee, and gave a long answer stating he saw no evidence of Mr. Shaw's expending that amount in the District; that he had covered the District and was well advised of conditions; that just before the election, some lithographs appeared; that witness used lithographs which cost him \$70; that he saw two circular letters from Mr. Shaw of both of which he received copies addressed to him; that he therefore concluded that Mr. Shaw was using a farmer's directory of the District which contained not over 10,000 names and the circulars could not have cost more than \$100 or \$500; and he saw no other evidence of money spent, except he saw Mr. Shaw in Carrollton once in an automobile, that he also saw a short circular on the subject of Argentine corn; that Mr. Shaw had no workers or watchers at the polls so far as he could learn; that witness concluded that Mr. Shaw could not have spent anything like \$2,000; he noticed some paid advertisements in newspaper. He was asked if that does not "cost money," to which he replied, "Yes." He said he did not know how many newspapers carried paid publicity for Mr. Shaw. He was asked "of course

you saw no evidence of any corrupt use of money at that election at that time," to which he answered, "There was none."

He further stated that one Yates Fishback in his town was doing some work for Mr. Shaw, and made two bets on the election on the vote in his home town and lost both of them. He doubted if that was a proper expenditure. He did not state that Mr. Shaw furnished the money to bet and said he was not complaining because Fishback lost this money.

He was then asked if the matters he complained of "affected the validity of the election?" He answered, "No, I have just stated the reasons and the notice of contest."

He stated that Mr. Shaw's omissions forfeited his right to his seat. He was then asked, "and your attitude is, that if he has been negligent in complying with certain provisions of the law, you will be justified in causing the people of that District to be deprived of representation?" To which he answered, "That is a matter for argument."

He was then asked what justification he had for charging a conversion of the money, to which he answered giving a considerable amount of hearsay statements which had come to him from Beardstown, in regard to Mr. Shaw's financial condition and to his use of money in his business.

He was then asked, "You feel that this hearsay information justifies you in making a direct and express charge, that he misappropriated this money?" To which he answered, "Yes sir?"

His attention was then invited to his 5th specification, charging Mr. Shaw with having converted to his own use other sums received from "other sources," and he was asked "You know of nothing to justify the statement?" To which he answered, "Except as I have stated."

He was asked why he inserted his 10th and 11th specifications in regard to penalties, punishments, etc., to which he replied with a repetition of the substance of those specifications.

He was then asked why he took it on himself to admonish Mr. Shaw of those things and he said he did not know that it did any good; that when he served the notice there were no reports on file, and he presumed his admonishments would do no harm.

He was then asked whether it was with his approval that notice was given to Mr. Shaw to take depositions in Beardstown in this case at a time when Mr. Shaw would be in Washington taking depositions under a former notice. He answered that he did not know of that second notice, but that testimony could be taken in more than one place.

He was then asked "Do you approve of the act of your attorney in giving notice of taking testimony at two points a thousand miles apart at the same time?" To which he answered "I have this notice I sent myself. I did not know about serving the notice."

He added that he waited for the answer to be served on him and was in doubt when he should take his testimony, and some further remark about the practice in taking testimony.

He also stated that the notice to take this testimony was given on February 14th. And that he endeavored to give as much time as he could for contestee to be in Washington.

CHILD'S FUNERAL WAS HELD AT WOODSON

Remains of Dorothy Pauline Whitlock Laid to Rest Wednesday Afternoon.

Funeral services for Dorothy Pauline Whitlock were held at 2:30 o'clock Wednesday afternoon at the Christian church at Woodson, in charge of Dr. G. W. Miller, assisted by Rev. I. H. Fuller. The church was filled with relatives and friends of the bereaved family.

Music was furnished by Mrs. Nettie Ezard, Mrs. R. R. Jones, Dr. R. R. Jones and Rev. I. H. Fuller, with Miss Corinne Shirley at the piano. The floral tributes were cared for by Mrs. Anna Cooper, Mrs. Olive Page of Roodhouse, assisted by Little Misses Martha Helen Ruyle, Anna Frances Chapman, Maurine Self and Bernice Kimer.

Burial was made in Henry cemetery, the bearers being Floyd Fitzsimmons, Walter Spencer, Russell Devore and Forrest Ruyle.

Dorothy Pauline Whitlock was born Sept. 24, 1919 and died at the home of her grandparents, Mr. and Mrs. T. M. Whitlock, in Manchester on April 26, 1921, at the age of 19 months. Death was caused by an attack of pneumonia which developed after an illness of whooping cough. The little one's mother, who was formerly Miss Pearl Megginson of Woodson, died Feb. 17, 1920. Her father, Raymond Whitlock, together with her grandparents and a number of other relatives, survive her.

Since the death of her mother the little girl has made her home with her grandparents, who have grown much attached to her. Her life brought joy to the home of Mr. and Mrs. Whitlock and her death means a great sorrow to them. The bereaved relatives have the deep sympathy of their many friends.

SIMPLE APPLICATION THAT DISSOLVES BLACKHEADS

No more squeezing and pinching to get rid of those unsightly blemishes, blackheads. There is one simple, safe and sure way to get them out and that is to dissolve them. To do this just get about two ounces of calomel powder from your druggist—sprinkle a little of a hot, wet sponge—rub briskly over the blackheads for a few seconds—wash the parts and every blackhead will be gone.

Pinching and squeezing out blackheads make large pores and you cannot get all of the blackheads out this way—while this simple application of calomel powder and water dissolves every particle of them and leaves the skin and pores in their natural condition. Any druggist will sell you the calomel powder and about two ounces will be all you will ever need.

Stewarts are made in six popular models—ready for any load—ready for any road. They adapt themselves to 90% of the requirements of American business at about 20% less than the average cost.

Stewarts cost \$200 to \$300 less to buy than the average price of other trucks.

Stewarts cost less to run—For thru simplified design, hundreds of really needless parts, consequently hundreds of pounds of needless weight, are eliminated.

You get a stronger, simpler truck—one that is economical on oil, gasoline and tires.

TEX RICKARD IS DEFENDANT IN SUIT

Frank C. Armstrong Asks for Accounting—Claims Partner in Several Enterprises.

(By The Associated Press)
NEW YORK, April 27.—"Tex" Rickard, sporting promoter, today was made defendant in a suit filed by Frank C. Armstrong, who alleges he has been associated with Rickard in a business way, and demands an accounting of several enterprises in which he maintains he had a share. The amount of Armstrong's claim is not set forth.

Mr. Rickard tonight declared he had no dealings with Armstrong other than that the latter had been interested with him in the Rickard Texas Oil Company. He said Armstrong made considerable money on the deal and endeavored to interest himself in the enterprises which Rickard has promoted. Armstrong, he said, is a broker.

"He has no claim against me," he said.

Among the deals in which Armstrong has claims he was connected with the promoter are the Johnson-Jeffries fight in 1910, the Rickard Texas Oil Company, the leasing of the Madison Square Garden, the Willard-Moran boxing match, and the South American land packing and concessions enterprises.

Tired Out?

Do you know that languidness, that "awful tired feeling," heaviness, lame or weak back, sore muscles, stiff or swollen joints, rheumatic pains, lumbago, in the great majority of cases, indicate kidney trouble?

Foley Kidney Pills
act promptly and effectively to restore weak, overworked or diseased kidneys and bladder to a healthy condition.

Mrs. Robert Blair, 401 S. 20th Street, Terre Haute, Ind., writes: "I suffered two years with kidney and bladder trouble frequently getting backache. Mornings I would arise feeling very tired and having headaches, and see floating specks before my eyes. I saw Foley Kidney Pills advertised and made up my mind to try them. After taking them a few weeks I found my trouble dispelled. The backache stopped and my kidneys were restored to healthy, normal action. I am also free of those tired spells and headaches and my vision is no longer blurred. My recovery is entirely due to Foley Kidney Pills, which I gladly recommend."

GOVERNMENT CAN HELP RAILROADS BY CUTTING DOWN

Should Get its Bureaus and Forces Back to Pre-War Basis

(By The Associated Press)
PHILADELPHIA, April 27.—The government could help the railroads by getting its own bureaus, forces and costs back to pre-war conditions as soon as possible and reducing taxation, including the tax on railroad patrons purchasing tickets and paying freight. A J. County, vice president of the Pennsylvania railroad, declared in a speech tonight before the second annual banquet of the National Conference of Mutual Savings Banks.

"The government could help further," he added, "when capital is so dear and scarce, by paying over the balances of compensation due for use of the railroads during the war, instead of withholding such balances to apply against capital expenditures made on the railroads during federal control."

URGES PREPARATION FOR UNEMPLOYMENT

Secretary of Veterans' Association Believes It Will Come Next Fall.

(By The Associated Press)
OTTAWA, April 27.—C. G. MacNeil, dominion secretary-treasurer of the Great War Veterans' association, today wrote the government's committee on pensions and re-establishment, pressing the necessity of preparing now for unemployment of "staggering proportions," which, he declared, must come next fall.

Stating that returned soldiers were suffering from lack of work, he said:

"Returned soldiers are not petitioning for unemployment doles, except as a last resort to prevent starvation."

STEEL COMPANY ELECTED OFFICERS

(By The Associated Press)
NEW YORK, April 27.—Directors of the Gulf States Steel company meeting here today elected James Bowron chairman of the board after he had resigned as president because of advancing years.

Charles A. Moffett, former vice president and general manager, was elected president.

Operating income for the quarter ending March 31 amounted to only \$35,255. After taxes, depreciation and other expenses were deducted the operating deficit totalled \$102,917.

MUST BE RECONCILED TO TWELVE HOUR DAY

Communist Organ in Germany Says Workmen Will Have to Lengthen Day to Meet Allies' Demands

BERLIN, April 27.—The German working man will have to become reconciled to a 12-hour day if the economic obligations involved in the German reparations counter proposals are to be redeemed, says the Red Flag, the Communist organ, today, which estimates that the working hours for fifteen million workers will be increased by one-third or more if the nation is to raise six billion gold marks annually.

While the political writers are optimistic in their appraisal of the prospective outcome of the appeal of the foreign minister Dr. Simons, to President Harding, the financial writers take an extremely gloomy view of Germany's ability to carry the self-imposed burden.

A leading banker declared the entente statesmen must proceed cautiously when prescribing the manner in which the German counter proposals should be carried out, in order to prevent Germany from lapsing into the partial state of anarchy prevalent in Austria.

MRS. BRITTEN TO ENTER PROTEST

CHERBOURG, France, April 27.—Mrs. Fred A. Britten, hearing the protests of the Chicago Congress against the retention of black troops in German occupied territory, which she intends to deliver to Marshal Foch, arrived here today on the steamer Olympic. She left immediately for Paris. She is the wife of Congressman Britten of Illinois.

Paris, April 27.—Marshal Foch's aide said the marshal would have no objection to receiving Mrs. Britten, although a reply to her protest already had been made.

"It seems that Gen. Allen (commander of the American forces of occupation) has fully replied to Mrs. Britten's protest," the aide said. "His report is quite unequivocal. There are no black troops in the occupied zone at the present time, having been removed long since."

ELEVENTH HOUR CHANGE ON BILL

SPRINGFIELD, Ill., April 27.—An eleventh-hour change in plans for presenting the administration utilities bill was made tonight, when Representative Brinkman, chairman of the house public utilities committee, decided to introduce the measure tomorrow instead of trying to get it out as a committee bill tonight. Many Republican members of the committee were not at the meeting. Democrats who attended said they doubted whether the bill could have received a favorable majority vote in the committee tonight.

ENDORSE PLANS TO DISTRIBUTE CONSTITUTION

New York, April 27.—Endorsement of the plan to distribute copies of the constitution of the United States on Saturday, April 30, the 132nd anniversary of the inauguration of George Washington as president, was received here today from President Harding in a letter to Jerome A. Myers, national director of the Constitutional League of America. Copies of the constitution, Mr. Myers announced, will be given free to all who ask for them.

CHICAGO CURFEW BELL BEGINS TO RING MAY 5

Chicago, April 27.—Chicago's curfew bell will ring for the first time on the night of May 5. On that date the ordinance passed recently by the city council will go into effect. It provides that children 16 years of age and under must be off the streets between the hours of 10 p. m. and 6 a. m., unless accompanied by a parent or person of mature years.

REDUCTION IN FREIGHT RATE
Detroit, April 27.—A reduction of 15 per cent in all classes of freight rates was announced today by the Detroit and Cleveland Navigation Company. The new rates are effective tomorrow.

COMMISSION WILL NOT MAKE CHANGE IN MOUNTAIN RATES

The Proposed Schedules are Opposed by Business Organizations

(By The Associated Press)
WASHINGTON, April 27.—The Interstate Commerce Commission refused today to order a reduction in railroad rates from points of origin east of the Rocky Mountains to points in intermountain territory. Complaints of business organizations and others in this section were dismissed, the commission holding that existing tariffs, which are on a parity with those to Pacific coast points, were not unduly prejudicial.

The complainants had contended for a graded reduction based on the rates to the Pacific coast, which were fixed so that the steam carriers could compete with water commerce passing thru the Panama Canal.

The proposed schedules were opposed by manufacturers and business organizations of the Pacific coast, while numerous eastern shippers and manufacturers intervened in the case to oppose a part of the proposed changes which tended to increase rates from the east to the Pacific coast.

The commission declared its decision was not a solution of the problem, but that the discussion "should be helpful in paving the way for a final settlement."

CORN PLANTING ON IN SOUTHERN ILLINOIS

(By The Associated Press)
SPRINGFIELD, Ill., April 27.—Farmers are planting corn in Southern Illinois, according to the weekly crop bulletin of United States Meteorologist Clarence J. Root, issued today.

The bulletin reports crop and weather conditions for the week ending Tuesday, April 26. It follows:

"General and heavy rains delayed plowing for corn, but the high temperatures at the week end caused a rapid advance of all vegetation. Farmers are planting corn in parts of the southern division. Winter wheat has made satisfactory progress, and its condition is good, except in parts of the southern division, where it is only fair.

"Spring wheat has made excellent advance. The remaining oats are in fair to good condition, but they are thin in places. A good proportion of the fields have been reseeded. Clover has been damaged by weevil in Schuyler county. There is not much fruit left except apples."

MANUFACTURERS
UNDER INQUIRY
NEW YORK, April 27.—Thirteen groups of manufacturers spread over the nation were brot under investigation today at the legislative building trust inquiry. The committee heard testimony that the manufacturers exchange price lists, operate secret codes for informing one another of their business operations from day to day, and, in some instances compare bids on each piece of work before forwarding a final quotation to the prospective buyer.

JAP MINISTER MAKES REPORT ON MANDATE

(By The Associated Press)

TOKIO, April 27.—(By The A. P.)—At the regular session today of the privy council, presided over by Premier Hara, Viscount Uchida, the foreign minister, made a lengthy report on the mandate question.

It is understood the cabinet has decided to place the mandated islands in the Pacific, including Yap, under a civil administration in control of the ministry of marine.

The newspapers assert that the government will publish a full report of the mandate question from the time of the peace conference.

John B. Camp died at the home
of his daughter, Mrs. J. B. Nottle-
man, 236 North Taylor avenue,
Decatur, Ill., April 15, 1921, after
a period of ill health extending
over more than four years. Prior
to making his home with his
daughter in Decatur he had for
many years been engaged in farm-
ing in Harristown township. He
was during that time an active
member of the Harristown Chris-
tian church, serving as Sunday
school superintendent for many
years. He was for many years
chairman of the official board of
the church and had been voted an
elder for life.

J. B. Camp was born near Can-
ton, Fulton county, Illinois, June
1th, 1849, but soon removed with
his parents, George W. and Mary
J. Camp, to Scott county, where
he grew to manhood. He was
married to Hattie Howson Feb-
ruary 1th, 1876, when he re-
moved to Macon county, where he
made his home until his death.
The members of his family are
his wife and their three children,
George R. and Harry H. Camp of
Harristown, and Mrs. J. B. Not-
tleman of Decatur. He also leaves
two brothers, M. D. Camp of Har-
ristown, and J. W. Camp of Eureka,
and three sisters, Mrs. Cynthia
Brasfield and Mrs. Florence Jones
of Springfield, and Mrs. Henry
Gordon of Winchester.

Funeral services were con-
ducted at 3 o'clock Sunday afternoon,
April 17th, from the Christian
church at Harristown, being in
charge of the pastor, Rev. Charles

Youngblood Baptist church con-
siderable damage was done when
a chimney was blown down, the
falling brick badly damaging the
roof.

BROADWAY ALLEY GRADED

The work of grading Broad-
way alley north of Court street
was in progress yesterday. A
mud hole of considerable size
made the work rather difficult.
By the use of a plow both sides of
the alley were turned up and
later a grader was used in the
center of the thoroughfare.

PRETTY WEDDING AT ST. LOUIS CHURCH

Miss Florence McElroy of Arenz-
ville, becomes bride of Roland
W. Griffith of St. Louis, at Cer-
emony Saturday Evening.

The marriage of Miss Florence
Caroline McElroy and Mr. Roland
Wheelock Griffith was solemnized
at 6 o'clock Saturday evening,
April 23, at Maple Avenue church
in St. Louis. The officiating min-
ister was Rev. Dr. E. Comble
Smith, and the beautiful ring
ceremony was used. The ceremony
was witnessed by a limited com-
pany of relatives and intimate
friends.

The bride's attendants were her
sister, Miss Grace McElroy of De-
catur, Ill., as maid of honor, and
the groom's sister, Miss Lorna
Griffith of Granite City, Ill., act-
ing as bridesmaid.

Mr. Griffith was attended by
Elmer Gaylord of Granite City,
Ill., as best man, and the bride's
brother, William E. McElroy of
Decatur, Ill., as groomsmen.

Immediately following the cere-
mony an elaborate bridal dinner
was served at the Hotel Statler,
followed with a theater party, af-
ter which the happy young couple
departed for a short honeymoon
trip in the East.

They will be at home to their
many friends on and after June
15, at the Rosemond Apartments,
St. Louis.

The bride is the elder daughter
of Mr. and Mrs. G. W. McElroy of
Arenzville, Ill., and is well and fa-
vorably known having a large cir-
cle of friends in this city.

The groom is a popular young
St. Louis attorney, the youngest
son of Mr. and Mrs. W. E. Grif-
fith of Granite City, Ill. After
graduating from Illinois Univer-
sity he took up the practice of law
in Granite City, where he also
held several responsible public of-
fices. During the World War he
served in the legal department of
the navy.

The young couple have the
heartiest best wishes of their
many friends for a happy wedded
life.

AGED RESIDENT DIED WEDNESDAY

Mrs. Elizabeth Conlan Passes
Away at Our Savior's Hospital
—Was Over Ninety Years of
Age.

Mrs. Elizabeth Conlan died at
Our Savior's Hospital at 7:45
o'clock Wednesday evening. She
had been in failing health for
some time and entered the hos-
pital two weeks ago.

Decedent was born in Ireland
over ninety years ago and came
to America when quite young.
For many years she had been a
resident of Jacksonville.

Her husband preceded her in
death 47 years ago. Her home
was at 608 Myrtle street where
she resided with her son, John,
who cared for her during her old
age and who is the only near re-
lative living. She is survived also
by several nephews, all residing
in Morgan county except the Car-
roll brothers, who are residents
of Litchfield.

Mrs. Conlan was a member of
the Church of Our Savior and

thru the long years of her life
was devout in her worship.
The remains were removed to
the undertaking parlors of J. H.
O'Donnell and prepared for bur-
ial. The time of the funeral will
be announced later.

MAY CIRCUIT COURT TERM CONVENES MAY 9

Today is Last Day of Service for Term — Docket Shows Numerous New Chancery and Law Cases.

The May term of the Morgan county circuit court will convene Monday, May 9, with Judge Norman L. Jones presiding. Accordingly, today will be the last day of service. It is likely that a few cases will be docketed today, but the docket has been practically completed by Circuit Clerk Wana-maker. There are not a great many criminal cases, but the number on the chancery side is somewhat larger than usual. The people's cases include that against Eva Gilliland charged with destruction of property; Frank Milton and Marion Johnson for grand larceny; Merrill Sublett, larceny; Chester Paxton and Charles Hill, statutory charges.

Other cases will no doubt develop from the grand jury investigation. While there are of course numerous continued cases, there are 21 new law cases and 33 chancery cases. Among the cases filed yesterday was that of Georgia Coultas vs. Byron Coultas, the complainant being represented by W. N. Hairgrove. The declaration shows that the marriage occurred in June, 1918, and that a home was maintained until March, 1920. The defendant is accused of infidelity.

The following are the new chancery and law cases:

J. H. S. SELECTED REPRESENTATIVE

A tryout was held Wednesday evening in David Prince auditorium to select a representative for the declamation contest to be held in connection with the Western Illinois High School league meet, to be held May 7.

The contestants were Paul Bolman, Warren Hoagland, Frank Douglas, Albert Hickox, Gladys Ruyle and Paul Gard. The judges were Miss Gregory, Miss Helen Struck and Miss Kent of the faculty.

All of the contestants acquitted themselves with great credit, and the judges selected Paul Bolman as representative of the school.

Social Events

Mrs. John W. Clary Entertains Aid
Mrs. John W. Clary entertained sixty members of the Catholic Ladies' Aid Wednesday afternoon at her home on West North street. Various business matters were discussed during the afternoon. Plans were formulated for an entertainment, to be given in the K. of C. hall Wednesday evening, May 18. After the social hour the club adjourned, to hold its next meeting at the home of Mrs. Fred Kumble, 355 West College street, May 11.

Parent-Teacher Meeting Held Wednesday Afternoon
The regular meeting of the Parent-Teacher association of the Fourth ward was held at the Washington school Wednesday afternoon at 3:30 o'clock, with Mrs. G. E. Baxter presiding. The secretary, Mrs. Hirsch, was unable to be present on account of quarantine, and Mrs. Owen Graff acted as secretary for the afternoon.

The regular business session of the association was held during which Mrs. J. R. Phillips, treasurer, made her report. The report showed nearly \$100 on hand. A few aprons left over from the recent sale were auctioneered off.

At the close of the business session Mrs. H. A. Perrin told something of her trip to Philadelphia and Washington, recently, when she accompanied Mr. Perrin, who attended an educational meeting. A social hour followed the program.

G. T. S. Club Met With Mrs. M. L. Watt
Mrs. M. L. Watt was hostess to the G. T. S. club at her home west of the city Wednesday afternoon. Fourteen members of the club being present. It was the anniversary meeting of the club, and aside from the business session an interesting program was carried out. One new member, Miss Nash, was initiated into the club. Following the business session and program supper was served.

History Class Met with Mrs. Merrill
The History Class met yesterday afternoon at the home of Mrs. Ellen Merrill, on Westminster street. The leader of the afternoon was Mrs. Harry Dobyns, and the subject was "Debereau," a French comedy. Mrs. Dobyns reviewed the play and there was some very interesting discussion, in which several members of the club joined. During the pleasant social hour which followed, the hostess served dainty refreshments.

Miscellaneous Shower for Mrs. Ralph Barrows.
Mrs. Earl Hemmrough entertained a company of friends Tuesday afternoon, the event being a miscellaneous shower in honor of her sister, Mrs. Ralph Barrows. A number of the intimate friends of the hostess and guest of honor were present and in every way it was a delightful occasion. The house was prettily decorated, a color scheme of pink and white being carried out. In the guessing contests prizes were won by Mrs. Ralph Barrows, Mrs. George Hemmrough and Mrs. Edward Craig. The guest of honor received a large number of very useful and beautiful gifts.

Wednesday Class Met
The regular meeting of the Wednesday class was held yesterday afternoon at the home of Dr. Grace Dewey on West State street. A review of present day literature of Belgium was given by Mrs. W. A. Bancroft. A number of the well known writers of Belgium were briefly referred to. Delicious refreshments were served during the social hour which came after the program.

Young Women's Guild Meets
The Young Women's guild of the Congregational church held a regular meeting Wednesday afternoon in their room at Pilgrim Memorial. Miss Emma Daniels was the hostess of the afternoon and a part of the time was spent in sewing. Refreshments were served during the hours.

WEDDING VOWS. SPOKEN AT CHAPIN

Impressive Home Ceremonial United Miss Addie Fox and John W. Claus.

A very pretty wedding took place last night at the home of Mr. and Mrs. J. M. Fox, residing two and a half miles north of Chapin, when their daughter Miss Addie, became the bride of Mr. John W. Claus. The ceremony was preceded by a short song recital, "At Dawning," Cadman, "Oh, Promise Me," DeKoven, sung by Mrs. Lucille Fox Robertson.

The bride Miss Addie Fox, accompanied by her maid of honor, Miss Edith Fox and ring bearer, Anna Mae Aufdenkamp, entered the living room to the strains of the Lohengrin wedding march arranged and played by Miss Isabelle Fox, cousin of the bride. The bride and her attendants were met by the groom and his best man, Mr. Lee Fox, and the officiating clergyman, Rev. R. E. Fox, under a lovely arch of green, where the ring ceremony was impressively said.

After the congratulations and best wishes a two course supper was served in the dining room where the pink and white color scheme was carried out by the use of Russell roses and pink candles. The bride is the eldest daughter of Mr. and Mrs. J. M. Fox. She is well and prominently known in the vicinity because of the part she has always taken in social and church activities. The groom is the son of Mr. and Mrs. David Claus of 359 East College street of this city. He is well known thruout Jacksonville because of his business association with his father. The bride's dress was of white crepe trimmed with silk braid. She wore a veil and carried a beautiful shower bouquet of bride's roses.

The maid of honor wore a pretty dress of green organdie and carried Russell roses.

The ring bearer was daintily dressed in a white organdie dress. She carried the ring in a white lily. Mrs. Fox, mother of the bride, wore a very becoming dress of blue satin with bead trimming. Her bouquet was a corsage of lilies of the valley.

Mrs. David Claus was handsomely gowned in black embroidered charmeuse.

Rev. R. E. Fox is an uncle of the bride who married her parents twenty seven years ago.

Out of town guests were: Mr. and Mrs. David Claus and son, David; Mr. and Mrs. Albert McFarland, Mr. John Minter, Mr. and Mrs. J. F. Claus and daughter, Frances; Mr. and Mrs. J. Marshall Miller and daughter, Marion; Miss Lucille Straight, all of Jacksonville; Mrs. Mabel Hopkins, Goodhouse; Mr. Lawrence Fischer, of Woodson; Mr. and Mrs. Bernard Allen, of Versailles, and Mrs. Lucille Fox Robertson of Petersburg.

WILL ARRANGE FOR OBSERVANCE DAY
Mayor Appoints Committee to Plan Program Commemorating Completion of Water Plant.

In thinking about the near completion of the Jacksonville water and power plant, Mayor Crabtree recently decided that there should be some public observance of this fact. It was his decision to refer this to a committee of citizens to work out plans and details. The committee chosen includes W. L. Fay, chairman; H. M. Capps, Dr. J. R. Harker, George Schmalz, Dennis Schram, Carl Graubner and W. E. Boston.

The letter mailed to each member of the committee reads as follows:

"I am writing to ask that you be one of a committee of five citizens to make preparation for the proper observance of the completion of the Jacksonville water and power plant. Along with other residents, I believe that this plant, which is made possible by the co-operation of Jacksonville citizens, means the beginning of a new day.

"It seems fitting that there should be some public observance and I am asking that your committee arrange for such celebration or observance. It will be your duty to decide upon any plan of recognition for those who gave the financial support which made the project possible and to work out the various other celebration details which may seem to you appropriate"

Keller and Thurston, magicians, outdone at Westminster Friday night. Boy Scouts benefit.

BOY SCOUTS BENEFIT AT WESTMINSTER
Boy Scouts of Troop 8 are enthusiastically arranging for a benefit performance in magic, to be given at Westminster church tomorrow night at 8:15.

Stanley I. Davis, member of the church, and greatly interested in Boy Scout organization, will be the magician. Mr. Davis is exceedingly clever in this work and those who have seen him have no hesitation in saying that he should not be classed as an amateur.

In addition to the program in magic and mystery, there will be a number of selections by an excellent orchestra.

THE ROTARY CLUB
Announcements sent to Rotary club members for Friday's meeting indicate that President Pontius will make the address. This will be the last time Mr. Pontius will preside as president of the organization, as he is to retire from office May 1 and will be succeeded by V. R. Riley.

HARD ROADS MAY COME THIS YEAR

Morgan County Good Roads Association Plans to Aid Improvement Project.

W. E. Sullivan, president of the Morgan County Good Roads association, has announced that the next meeting will be held on Tuesday evening, May 10. The fact that Mr. Sullivan has been sick for two or three weeks past has interfered somewhat with the work he has in prospect. However, some things are in the making, and Mr. Sullivan has a plan whereby he hopes that the good roads association can be an effective influence in getting some hard road work done in Morgan county this year.

There are two distinct efforts being made now in this county with the same end in view and there are excellent chances that both will be successful. The report came from Springfield not long ago thru certain well known citizens that if local contractors could be found who would construct hard roads at a cost of \$30,000 per mile or less, that work could begin in this county at no distant date. It is understood that one local contractor has already submitted a bid of this kind, and the early approval of the highway department is expected.

Now, Mr. Sullivan says that he knows of another reliable local man who, with some co-operation on the part of good roads boost-ers, will be mightily pleased to undertake some of this good roads work. Mr. Sullivan is entering into this whole project with the enthusiasm and good judgment that marks all his business efforts and thru the association activity and co-operative work there is going to be something doing in the hard roads movement.

TO BE BISHOP OF CORPUS CHRISTI
Chicago, April 27.—Monsignor Emanuel B. Ledvina, word of whose appointment by the pope to be bishop of Corpus Christi, Tex., was received from Rome today, for fourteen years has been vice president and secretary of the Catholic Church Extension Society in Chicago.

The Corpus Christi diocese is one of the largest, territorially, in the United States.

Monsignor Ledvina's consecration to the high office probably will take place in June in his native diocese at Evansville, Ind., where he was born in 1868. He was ordained in 1893 and entered the service of the church as curate at Holy Trinity at Evansville.

MURRAYVILLE COUPLE WED HERE WEDNESDAY

Miss Teresa Wagstaff Becomes Bride of Roscoe Walton—Will Reside in White Hall.

Roscoe Walton and Miss Teresa Wagstaff, both of Murrayville, were united in marriage by Rev. Thomas H. Tull at the Grace church parsonage, 830 West College avenue, Wednesday afternoon at 2:30 o'clock. The ceremony was witnessed by Mrs. Virden Wagstaff and Spencer Wagstaff, mother and brother of the bride.

The bride, who is a daughter of Mr. and Mrs. Virden Wagstaff, well known residents of Murrayville, has for the past few years been one of the county's successful teachers. She is a member of the Murrayville M. E. church and has been very active in church and Sunday school work.

The groom is a son of Mr. and Mrs. Isaac Walton of Allen, Kans. During the war he saw service in France with the American Expeditionary forces. For the past few months he has been employed in Murrayville.

The bride and groom left yesterday afternoon for St. Louis and other points in the south and will be at home to their friends after May 15 at a residence in White Hall, which the groom has recently purchased and furnished. They have the best wishes of their many friends for a long and happy wedded life.

Funerals

Burnett
The funeral of Thomas Burnett was held at the Williamson funeral chapel yesterday afternoon at 3 o'clock. Rev. D. V. Gowdy officiated at the services.

The local Painters' Union, of which Mr. Burnett was a member, attended the funeral in a body. The bearers were William Batz, Andrew Leek, Thomas Rapp, Harry Large, Louis Gause and Edward Howe.

Burial was made in East cemetery.

DISTRICT MEETING OF NURSES IN SPRINGFIELD
Tuesday, May 3, is the date for the next regular meeting of members of District No. 13, Illinois State association of Graduate Nurses. The session will be held at Springfield hospital and the main address will be delivered by Miss Anne Titman, R. N., who will relate her experiences in Siberia. Miss Titman had charge of the Red Cross nursing service in Siberia during the wartime, prior to this service being an inspector of nurses' training schools in this state.

Arthur Swain of Sinclair, has returned from Chicago, where he spent several days on a cattle buying trip.

Fred King of Murrayville, was a business caller in the city yesterday.

JUSTICE THOMPSON DESERVES RE-ELECTION

(Chicago Evening Post.)
Nothing is to be gained by changing judicial personnel in cases where the incumbent has demonstrated capacity for the office he fills and given faithful service to the public. On the contrary, the voters should count it fortunate when they are able to retain on the bench a man who has ripened in wisdom through experience.

For these reasons we believe Justice Floyd E. Thompson, Supreme Court Justice, from the Fourth Judicial District, should be re-elected on June 6.

No question but that of fitness should have any bearing upon the selection of men for judicial office, and this principle, generally applicable to the courts, is of special importance in its relation to the Supreme Court. To that body we must look for an impartial, steady influence upon the development of the law and interpretation and practice of law. It should be freed as much as possible from those disturbances which are the result of injecting extraneous issues into the constitution of the bench.

The record of Justice Thompson commends him to the people. His re-election will be in the interest of the dignity, stability and wisdom of the administration of law in Illinois.

Judge Thompson has made an enviable record on the Supreme Bench and has shown himself a young man of fine attainments and sound judgment.—Bushnell Democrat.

FLOYD E. THOMPSON
Justice of Supreme Court
Vote to re-elect him, Monday
June 6, 1921

Jacksonville Courier says:—
Judge Thompson has displayed great ability to get work out of the way in fast time and in a manner satisfactory to the majority.

I. W. C. STUDENTS PLAN ENDOWMENT CAMPAIGN

Student Committee Organizes
for Students Part in \$500,000
Campaign Fund.

At a dinner given last evening by Dr. and Mrs. J. R. Harker, the student committee for the \$500,000 endowment and improvement fund, laid plans for the campaign to be carried on among the students.

Dr. Harker, consular in finance, for the board of education of the Methodist Episcopal church was present and spoke to the students and faculty, who were present. He emphasized the necessity of creating a spirit among the students, showing the vision of a greater school. He explained the method by which the best results are obtained in an endowment campaign. Miss Willard, head of the publicity work of the department of finance of the Methodist church, also spoke briefly.

Dr. Harker explained the pledge cards and stated that the students campaign would formally open Friday morning. The student committee under the direction of Miss Mildred Keys, the chairman, made plans for the raising of a large endowment pledge thru individual subscriptions and those of organizations. A great deal of enthusiasm was manifested and it seems certain that the students will "go over the top" with a large pledge toward the \$500,000 fund to be raised.

—It was the most fun I ever had running a lawn mower. Last night after supper I tried out one of the Eclipse lawn mowers. Believe me, it's some easy grass-cutting machine! And say, the way it cuts grass! Another thing—the Eclipse is the easiest lawn mower to sharpen and adjust that you can buy. When you buy an Eclipse you don't need to have a kit of tools to keep it in fighting trim. NEWS OF THE SPORT WORLD

INDEES WILL MEET I. T. S. TEAM SUNDAY

Strong Decatur aggregation to Play Here — Schedule for Next Few Weeks Is Given Out.

Frank Smith's Indies will meet the strong Illinois Traction team of Decatur at South Side park Sunday afternoon.

If weather conditions improve, the Indies will get several work-outs before Sunday and should be in better shape than in the opening game. The pitchers are rounding into shape and should give a better account of themselves next Sunday.

Chuck Riggs is working out with the team and will again be in the line-up. He will play outfield and pitch in case of emergency.

Decatur comes with a good reputation and will undoubtedly give the Indies the strongest kind of an argument. The schedule for the next few weeks is given:

May 8—Quincy Lillys.
May 15—Leaders, Decatur.
May 22—Hannibal Fans.
May 29—Open.
June 5—Open.
June 12—Stanton.
June 19—C. & O. Bloomington.
June 26—Nilwood.
July 3 and 4—Probably Pekin.

Express Cruiser Goes to Dock

(By The Associated Press)

HAMPTON, Va., April 27.—Stormy weather forced the express cruiser Gar II Jr., which is attempting to establish a record run between Miami, Fla., and New York, to dock tonight in Hampton Creek.

Gar Wood of Detroit, owner and pilot of the boat, said he hoped to get away on the last lap of the trip tomorrow morning.

Norfolk, Va., April 27.—The express cruiser Gar II Jr., racing from Miami to New York against the time schedule of the Atlantic Coast Line flyer, groped her way into Norfolk thru thick fog today to re-fuel, and put to sea again shortly after 3 p. m., heading north by the outside route, despite storm warnings. Her owner, Gar Wood, of Detroit, said he had a sufficient time margin to his credit to win if luck was with him on the last lap.

CHAMPIONSHIP OF WORLD TO CAPABLANCA

(By The Associated Press)

HAVANA, Cuba, April 27.—The tournament committee which had in charge the international chess championship match between Dr. Emanuel Lasker of Germany and Jose R. Capablanca, the Cuban expert, decided today to grant Dr. Lasker's request to resign the series and concede Capablanca the world chess championship title.

Dr. Lasker gave illness as the reason for his desire to cease playing.

The \$25,000 involved in the match is being divided between the players, as though the full 24 games of the series had been played.

HAVANA, Cuba, April 27.—The score in the tournament was four games won by Capablanca and ten games drawn.

NEW JAVELIN AND DISCUS INVENTED

Coach Gill of Illinois University Has Javelin That Many Schools Are Now Using.

Urbana, Ill.—(By The A. P.)—Improved types of the javelin and discus have been invented by Harry Gill, track coach at the University of Illinois, and are now being used by several middle western colleges.

The new javelin is made of the toughest growth of maple and ash with a long pointed steel spearhead. It is said to be a stronger lance than those used heretofore and has the combined good points of the Finnish and standard American spear.

"Javelins on the market have always been unsatisfactory," Coach Gill said. So we decided to manufacture our own. Other schools heard about them and now all but three of the Big Ten and nearly all the Missouri Valley schools are using the Illinois spear.

The wood for the new shafts was selected after thorough laboratory tests had been made on numerous strong woods from the Canadian north woods.

The Illinois coach has been working on a new discus for several years. He has placed much of the weight of the disc in the rim, in accordance with the principle of the fly-wheel and gyroscope.

FRANKLIN BASKETBALL BOYS ENTERTAIN GIRLS

Franklin, April 27.—The members of the first and second basketball teams of Franklin high school entertained the girls of the domestic science department Wednesday evening at the high school building.

Principal B. E. Aspland, Miss Alice Ross, teacher of the domestic science department, and other faculty members and their wives were also guests. An abundant supply of ice cream and cake was provided by the boys and altogether it was a very pleasant event. Games and a social good time made up the evening's entertainment.

The boys planned the party to show their appreciation of the way the girls have treated them during the past months. On several occasions the domestic science girls have served sandwiches to the team members and in other ways have shown their interest in their welfare.

ILLINOIS WILL SEND STRONG TEAM

Expect to be Strong Contender for National Intercollegiate Championship Meet at Chicago.

Chicago—The University of Illinois, winner of the 1920 Western conference indoor track and field championship, will enter a strong team in the National Intercollegiate championship meet to be held at the University of Chicago, June 18.

In a tryout for the Drake Relays, five Illinois men ran the mile under 4 minutes and 30 seconds; Brede threw the javelin 175 feet, and Weis the discus 135 feet. The other men likewise showed enough to make it safe to predict that Illinois will be a strong contender for national championship honors.

The Southern California conference meet held April 10 demonstrated that the colleges of the Pacific coast section have some men worthy to compete in the national meet. Schiller, of the University on Southern California, ran the quarter in 48 4-5; Moreman, of Pomona, the mile in 4:26 4-5; Daggs of Pomona, the low hurdles in 0:15 1-2 and the low hurdles in 0:24; Young of Redlands, broad-jumped 4 feet; 5 inches, and Voorhies, of Pomona, won the high jump at 6 feet 2 inches.

The Drake relays at Des Moines Iowa, and the A. U. meet on the Pacific coast indicated what college athletes from these two sections will be worthy of entry into the national meet, while the Pennsylvania relays, now the biggest track and field meet in the United States to be held Saturday, April 30 will give an indication of the early season condition of the athletes of the nation. All of the sectional meets this year are of universal importance viewed in the light of the national meet.

NOTICE OF FINAL SETTLE-
MENT

In the matter of the estate of Jo-
anna C. Armstrong, deceased.
Notice is hereby given that I,
the undersigned administrator of
the estate of Joanna Armstrong,
deceased, have caused my final re-
port and account as such adminis-
trator to be placed on file in the
office of the Clerk of the County
Court of Morgan county, and that
I shall apply to said Court on Mon-
day, the 15th day of May, A. D.
1921, at 9 o'clock A. M., of that
day, or as soon thereafter as I can
be heard, for an order of approval
of said report and for my final
discharge at which time and place all
persons interested can appear and
show cause, if any they have, why
such order and discharge should
not be granted.
Charles W. Johnson,
Administrator.

BILL IN CHANCERY
In the Circuit Court, May Term,
A. D. 1921.
State of Illinois, Morgan Coun-
ty, ss.:
Thomas S. Scott and Beulah
Scott, Complainants, vs. Ja-
cob Gregory and the Un-
known Heirs and Devisees of
Jacob Gregory, Deceased.

The defendants in the above
entitled cause will please take no-
tice that a bill in chancery to quiet
title to the west half of lot eight
traverse (85) in the original plat of
the town, now city, of Jackson-
ville, in said County and State,
entitled as above, has been filed
in the above named complainants
against the said defendants, in
the Circuit Court of said Morgan
County, and is now pending; that
summons in chancery has been
issued against said defendants,
which is returnable to the May
Term A. D. 1921, of said Circuit
Court, to be held in the Court
House in Jacksonville, in said
county, on the second Monday,
being the ninth day of May, A. D.
1921; that the foregoing are the
names of all the parties thereto.
Now, unless you, the said defend-
ants, shall be and appear at said
court on the first day of said
term, in person or by attorney
and plead, answer or demur to
said bill, the same will be taken
as confessed by you and a decree
by default in accordance to the
prayer of the bill will be rendered
against you.

F. E. Wanamaker,
Circuit Clerk of Morgan County,
Illinois. Opening 7-14-21-28

ROLAND III.

Pure Bred License No. 411

Owned by J. W. Wallace, Chapin, Ill., bred by D. Augustus, Carlock, Ill., and is recorded in the Percheron Society of America as a Pure Bred. His number is 78234. Color and description—Black gray, weight one ton, and is 17½ hands high with good bone and all that goes to make up an extra good stallion. This horse's colts have never failed to get in the ribbons at our show. His sire, Roland 42911 won first for 3 straight years at State Fair and once at the National. His dam Coquette 50404 won where ever shown and sold at an old age at big money, so you see he is as good a bred horse as there is in the state. Roland III was formerly owned by H. O. Smith of Chapin, Illinois.

FORMER RESIDENT DIES IN FRANCE

Frances Rees Pierce Passes Away in Paris—Was Born Near Markham and Was Resident of Jacksonville for Many Years.

Frances Rees Pierce, wife of Rev. C. C. Pierce, former pastor of the Baptist church of Jacksonville, now chief of the Graves Registration Service, U. S. Army, died in Paris, France, Saturday, April 23 of carcinoma of the liver.

Mrs. Pierce accompanied her husband on official business to inspect the cemeteries of the war regions, going in March and expecting to return in six weeks. The malady which proved fatal was much aggravated by the stormy sea voyage and on arrival at Antwerp it was necessary to proceed immediately to the American hospital in Paris. Here skillful physicians diagnosed the case and confirmed previous medical examinations, and found an operation inadvisable.

Frances Rees, daughter of Dr. Edwin and Margaret Posey Rees, was born near Markham, Sept. 3, 1858. After her mother's death she came to Jacksonville with her father and family and resided on South street. She was a graduate of the Atheneum and Illinois Conservatory of Music in 1877 and taught music in the same institution, being very popular in concert and church circles. She was married to Charles Campbell Pierce, on Thanksgiving day, Nov. 1881. There were born to this union three daughters, two dying in infancy; one daughter Miriam, wife of Col. DeWitt Jones of United States regular army, stationed at St. Louis, Mo. She had three sisters: Anna, who died while a young girl; Mary, wife of John G. Morrison, who died in 1888; and Margaret, wife of Rev. C. R. Morrison of Savoy, Illinois; a niece Miss Estelle Morrison, teacher in high school, Kansas City, now on leave of absence at Los Angeles, Calif., and Edwin Rees Morrison, lawyer, Kansas City.

Funeral services were held at the American church in Paris, on Wednesday the 27th and the body will be brought to Washington, D. C. for burial in Arlington cemetery, where are buried her two infant daughters. Her daughter, Miriam, was with her at the time of her death.

The many friends and acquaintances of Mrs. Pierce in Jacksonville, with real pleasure the beautiful singer of the years gone by, and with deep regret learn of the silence that has come to that voice on earth.

We Can't Break the News as Long as Somebody Else Owns This Newspaper

To talk FEED as we should talk feed, is impossible. This paper gets so much an inch for space. To tell the story as it should be told would take every one of its numerous pages.

They would have to leave out the Balkan news and the bootlegging items. Society would be miffed and Mrs. Jones, who has just returned from visiting her sister-in-law at the county seat, would be mad.

So we'll go easy—and simply say that if you want FEED in the full sense of the word—quality in its most comprehensive form—value working with its coat off, call
